

# HUNTSHAM COURT

## **SAMPLE 1 DAY WEDDING**

### **OVERVIEW**

One day weddings at Huntsham Court are beautiful and we help you get the most out of your day and ensure everything is perfect and just how you want it. The example below is just for guidance and we can help tailor everything specifically to your needs so it's your day, your way. We have wonderful bedrooms the bride, groom and wedding party so they can get ready at the house too if that is what you would like.

### **OPTIONAL NIGHT**

Some brides, grooms or wedding parties decide to stay the night before, night after or both: so that they can get some extra time before to share the excitement with their nearest and dearest all under one roof from the moment they wake up, and/or after to have the night of the wedding at the house before they go on honeymoon. Anything is possible so please do chat ideas through with us so we can help find the best way to make your perfect day.
